

BENEFIT FROM A SMART PUBLICATION WORKFLOW

CHALLENGE

- Manual process offering poor productivity.
- Heterogeneity of publication tools and environments.
- Error-prone, unreliable content.

BENEFITS

- Maximize knowledge reuse through collaboration and automation.
- Comprehensive debugging environment, offering huge productivity gains. [More...]

SOLUTIONS

- A fully-fledged digital publishing solution.
- Capacity to work with your favorite authoring environments.
- WYSIWYG content authoring
- A sophisticated debugging environment.
